

DHL FREIGHT YOUR PARTNER FOR OVERLAND TRANSPORT

DHL Freight for flexible road, intermodal and rail solutions.

OUR IDEA: LET'S FOCUS ON YOUR INDUSTRY, YOUR COSTS AND YOUR STRATEGY.

At DHL Freight, we decided to do our business the way you do yours: we gain insider knowledge of your industry and its specific requirements. Our calculations treat your costs as if they were our own. And your strategy forms the basis of all our customised solutions.

We focus on the following sectors:

- Automotive
- Chemicals
- Consumer, Retail & Fashion
- Engineering & Manufacturing
- Life Sciences & Healthcare
- Technology & Aerospace

We are specialised in creating the most efficient and reliable solutions to optimise your supply chain. This range covers overland transport by road, rail and intermodal options across Europe, parts of the CIS (Commonwealth of Independent States), North Africa and the Middle East Region. Together, we choose from a multitude of alternatives to deliver your Groupage, Part-Load and Full-Load shipments. Domestic and International. Road and Intermodal.

You benefit from multinational solutions tailored to your line and size of business. Our uniquely strong Field Sales structure provides close personal contact and support.

Furthermore we implement cost-efficient and environmentally-friendly rail solutions for your transport requirements across Europe and parts of Asia.

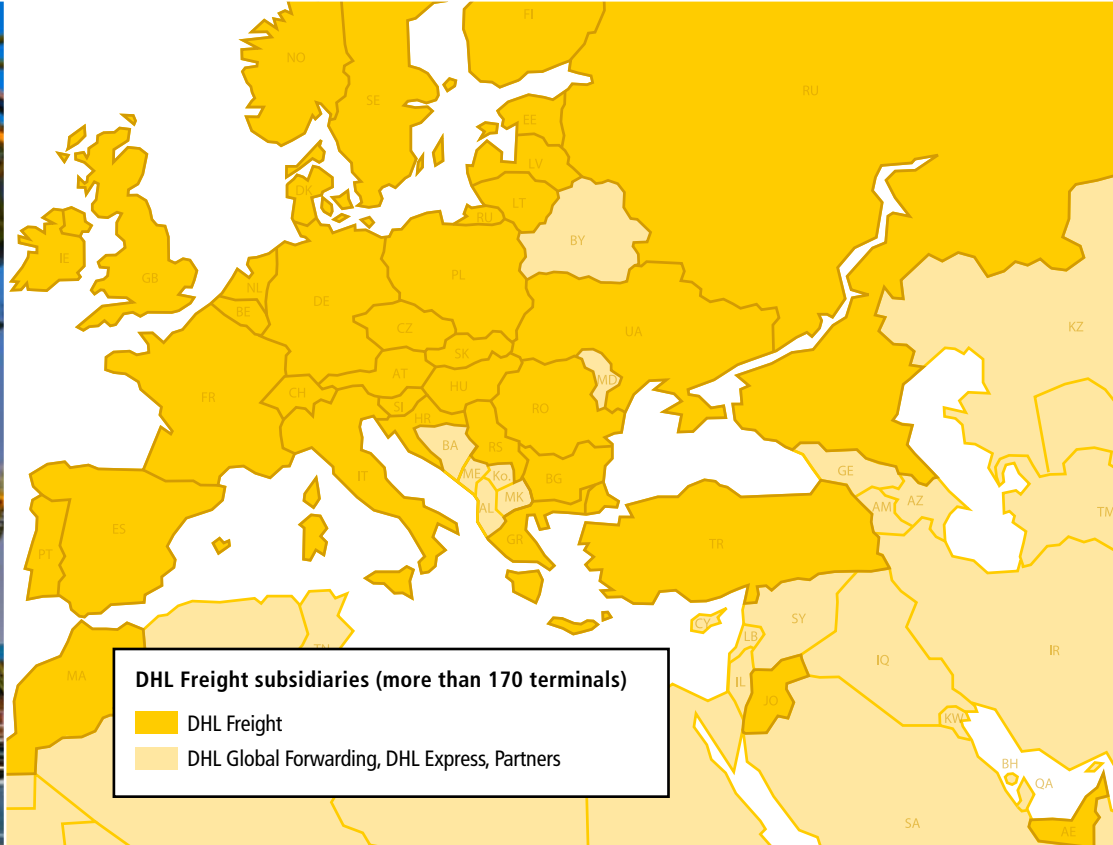

Data management is efficiently managed by means of our IT systems. Transparency of your groupage shipment is guaranteed via DHL Freight's e-tool, featuring online booking, track-and-trace and reporting functionalities.

Your shipment is handled by experts every step of the way. Even customs matters can become hassle-free by leaving them to our experienced customs experts. Customs clearance and customs brokerage services are available in over 275 offices throughout Europe, staffed by customs officials that speak the right language. So that you don't have to.

With the extensive range of services performed by DHL Freight, your shipment is in good hands throughout.

The right transport solution for every need
